

## Open Studio Sessions and Constant Creative Discount Card

**Washington Studio School** is pleased to offer **Open Studio sessions** with the model. These sessions are ongoing and continue regardless of our regular term schedules. These evening sessions, moderated with a model, give artists of any level the opportunity for studio time working with the figure. Each class begins with a series of shorter poses that focus on gesture and then move into a longer poses. Painting sessions typically have fewer short poses, moving more quickly into longer poses. Advance registration will ensure your place in the session and is appreciated. Contact us by phone or email at 202.234.3030 or [admin@washingtonstudioschool.org](mailto:admin@washingtonstudioschool.org) to register. Drop-ins welcome as space allows.
